Southern Rural Water's Privacy Statement

SRW values and protects the personal and private information we collect from customers or applicants as part of our business activities and responsibilities. We have always demonstrated a strong culture of protecting the confidentiality of this information.

Our policy is to collect only the information we need to conduct our business or to provide a service to customers. Essential personal information such as a customer's name, address or telephone number is only released outside SRW with the customer's consent or if reasonably required for related government business, such as the processing of council rates or if requested by lawful orders.

As our responsibilities demand sustainable management of water resources and the nurturing of the businesses, communities and environments that support and depend on them, SRW adopts an open, transparent approach to the management of water resources and entitlements. We balance the disclosure of customer related water entitlements (such as usage types, waterway, area and volume details) with the non-disclosure of personal information.

SRW takes all reasonable steps to ensure that the management of personal information collected and disclosed complies with the Water Act 1989 requirements and privacy principles. All customers can access their own information.

Privacy complaints

If you consider that your privacy has been breached or interfered with, you should contact the SRW Privacy Officer at PO Box 153, Maffra VIC 3860 or SRW on 1300 139 510.

More information

If you want help with your application, please phone Southern Rural Water on 1300 139 510 and ask to speak to a Licensing Officer. Or, visit our website www.srw.com.au. Copies of the Department of Primary Industry's Groundwater Notes are available through a link from our website.

Application Fees

Please note that whilst there is no application fee required for a licence to decommission a bore, if the assessment of the application results in the decommissioning being a higher risk, application fees may be required. You will be contacted should your application fall into the higher risk category.
