Notes

Notes to assist you to complete this application form.

1. We suggest that you speak to one of our assessment officers if you have any questions while completing this application form.
2. Please complete all sections of this form. Your nominated driller should be able to provide proposed maximum drilling depth, bore diameter and type of casing – we cannot assess your application without these details.
3. An up to date copy of land title is to be provided for each land area where works are to be located
4. Contact details: please provide your postal and residential address, phone numbers and email address.
5. Application fees received with this application may be non-refundable or only partially refundable should you decide to opt out of the process at any time after we receive this application form. We recommend that you discuss this proposal with an SRW Assessment Officer before submitting your application.
6. Incomplete applications will be returned to the licence holder. No action will commence on this proposal until a complete application and fees are received.
7. Should the licence renewal process identify changes to what has previously been licensed, we may seek more information from you.
8. If the amount of water detailed on your application form is of a significant volume or there is a sensitive issue surrounding your application, you may be required to submit a hydrogeological assessment and/or advertise the volume of groundwater you propose to take and use. Additional fees will be associated with this, please refer to the fee schedule.
9. If you are applying to replace an existing bore, your new bore must be within 20 metres of the existing bore and the groundwater must be used for the same purpose. Proposals to replace a bore more than 20 metres from the current bore site will be assessed as a new bore.
10. If your application to extract groundwater for commercial and/or irrigation purposes is approved, your groundwater use must be metered. SRW will supply a water meter at cost for you or a chosen contractor to install. SRW must inspect the completed installation for compliance to standards and specifications. All meters remain the property of SRW.

[Southern Rural Water's Privacy Statement](#)

Southern Rural Water (SRW) is a Victorian Government Rural Water Corporation.

SRW values and protects the personal information it collects from customer water entitlement or related applicants in line with our business responsibilities, and has always demonstrated a strong culture of protecting the confidentiality of personal information. SRW only collects the information necessary to conduct our business or provide a service to the customer, and essential personal information such as a customer name, address or telephone number is not released outside SRW without customer consent unless reasonably required for related government business such as council rate processes or requested by lawful orders.

Our responsibilities demand sustainable management of water resources and nurturing of the businesses, communities and environments that support and depend on them. In this regard, SRW adopts a transparent approach to the management of water resources and entitlements that balance the open disclosure of generally collected customer related water entitlements (such as usage types, waterway, area and volume details) with the non-disclosure of personal information.

SRW will take all reasonable steps to ensure that the management of personal information collected and disclosed complies with the Water Act 1989 requirements and privacy principles. Any individual is able to gain access to their information.

[Privacy Complaints](#)

If you consider that your privacy has been breached or interfered with, you should contact the SRW Privacy Officer at PO Box 153, Maffra Vic 3860, or phone SRW on 1300 139 510.

[More Information](#)

If you want help with your application or more information on Groundwater Licences, visit our website at www.srw.com.au or phone Southern Rural Water on 1300 139 510 and ask for the Groundwater Fact Sheet or speak to an Assessment Officer.

[Disclaimer](#)

Southern Rural Water will use the information provided in this Application Form to act on and/or make a Groundwater Licence decision. Should this information be incorrect or change, we may take steps to revoke any licence granted and require you to submit a new application together with the applicable fee.
