Name:	
Organisation <i>(if any):</i>	
(Or) Representing: <i>(group name)</i>	
Address business or residential:	
Telephone number:	Daytime: Mobile:
Email address:	

NOTE: You can use the text boxes below for your submission, or you may attach your own documents to the signed submission form. There are no restrictions on the areas of the application you can address in your submission. However, if you write beyond the visible box area, it will not be displayed on a printout - you will need to email the submission rather than post the submission. These headings are offered only as a guide:

The overall application under s58:

Licence volume / Water availability

Impacts on the environment, waterways and Groundwater Dependent Ecosystems (GDE):

Water quality:

Impact on other users:**Any other matters:**

- Please ensure you complete, sign and attach any additional pages to this form
- **Note:** If you have written beyond the displayed box limits, you will need to send the submission by email to ensure we receive all text outside the displayed boxes.

Signed:	Date:
----------------	--------------

Note: Submissions will be considered by Southern Rural Water and those involved in its consultation process, which includes an expert technical panel and a Community Reference Group made up of stakeholders, affected landowners, community groups and individuals.

Summaries of submissions may also be available on our website. Private addresses and contact details will be removed to maintain the privacy of those who have lodged a submission.

If you still do not want your submission to be made public, please check the box below.

**Not
public:**
