Notes

Notes to assist you to complete this application form.

1. We suggest that you speak to one of our assessment officers if you have any questions while completing this application form.
2. An up to date copy of land title is to be provided for each land area where water is to be used and where pumps or dams are located
3. Contact Details: please provide your postal and residential address and phone numbers. If you are a current customer, provide details of your licence number.
4. Licensed water use. Only one use for the water can be selected. The descriptions below may help you select the correct one.
5. If you require a licence that involves using water for more than one purpose, you will need a separate licence for each purpose.
6. Licences to take and use water belong to the person and not the property. Therefore SRW is unable to formally register interests by any third party, including mortgages.
7. Application fees received with this application may be non refundable or only partially refundable should you decide to opt out of the process at any time after we receive this application form. We recommend that you discuss this proposal with an SRW Assessment Officer before submitting your application.
8. Incomplete applications will be returned to the licence holder. No action will commence on this renewal until a complete application is received by us.
9. Should the licence renewal process identify changes to what has previously been licensed, we may require you to obtain
 - a. A water availability assessment
 - b. An environmental assessment
 - c. Copy of engineering plans for dams
 - d. Surveillance program and emergency response plan

Southern Rural Water's Privacy Statement

Southern Rural Water (SRW) is a Victorian Government Rural Water Corporation.

SRW values and protects the personal information it collects from customer water entitlement or related applicants in line with our business responsibilities, and has always demonstrated a strong culture of protecting the confidentiality of personal information. SRW only collects the information necessary to conduct our business or provide a service to the customer, and essential personal information such as a customer name, address or telephone number is not released outside SRW without customer consent unless reasonably required for related government business such as council rate processes or requested by lawful orders.

Our responsibilities demand sustainable management of water resources and nurturing of the businesses, communities and environments that support and depend on them. In this regard, SRW adopts a transparent approach to the management of water resources and entitlements that balance the open disclosure of generally collected customer related water entitlements (such as usage types, waterway, area and volume details) with the non-disclosure of personal information.

SRW will take all reasonable steps to ensure that the management of personal information collected and disclosed complies with the Water Act 1989 requirements and privacy principles. Any individual is able to gain access to their information.

Privacy Complaints

If you consider that your privacy has been breached or interfered with, you should contact the SRW Privacy Officer at PO Box 153, Maffra Vic 3860, or phone SRW on **1300 139 510**.
