Privacy collection statement:

The information from this form is collected under the Water Act 1989 to process this transaction in the Victorian Water Register. The information is collected and used in line with the Information Privacy Principles in the Privacy and Data Protection Act 2014 to maintain the Register and to provide statistical water market information. Most of the information in the Water Register is available to the public

What is this form used for?

Use this form to apply for a licence to decommission a bore or bores
This is a requirement under Sections 67 of the Water Act 1989

Talk to us first

If you have any questions about filling in the form or the application process, please call us.
Our phone number is 1300 139 510

What do I need to do?

To lodge your application you need to:

- Fill in all details on the form (the form can also be downloaded from our website www.srw.com.au and completed on your computer; however it must be printed and signed)
- Supply any required documentation
- Sign the form - all licence holders / applicants must sign

What other documents do I need to provide?

Apart from the completed and signed application form, you also need to give us:

- A copy of land title(s) where the bore (s) is/are located.
- A map to show us where the bore(s) is/are located.

Do not send any payment with this application.

In most cases, there are **no fees** associated with this application type.

Application fees may apply when bores being decommissioned are assessed as a higher risk. This could be because the bore:

- Extends through multiple aquifers or
- Artesian conditions are known.

If fees are required, we will contact you.

Fee schedules can be found at www.srw.com.au

How much does the application cost?

When the form has been completed and signed by all applicants, please send:

Where do I send the application?

- The form
- Copy of title(s)
- Map

To: Southern Rural Water, PO Box 153, Maffra, VIC, 3860 or email to srw@srw.com.au

Notes

- Illegible applications will be returned.
- If there are additional applicants please ensure that Annexure 1 is also completed.
- Check you have filled everything in correctly. Missing information can delay your application. Incorrect information may result in your application being refused.

If you have any questions or concerns about your application, please phone us on 1300 139 510.

Notes

Notes to assist you to complete this application form.

1. We suggest that you speak to one of our assessment officers if you have any questions while completing this application form.
2. Please complete all sections of this form. Your nominated driller may be able to help with bore details. Bore completion reports may also be available from us if you know the bore number(s).
3. An up to date copy of land title is to be provided for each land parcel where works are located.
4. Contact details: please provide your postal and residential address, phone numbers and email address.
5. Incomplete applications will be returned to the applicant. No action will commence until a complete application is received by us.
6. After assessing your application we may request you provide a works plan detailing the proposed decommissioning method.
7. If application fees are required, we will contact you.

Southern Rural Water's Privacy Statement

Southern Rural Water (SRW) is a Victorian Government Rural Water Corporation.

SRW values and protects the personal information it collects from customer water entitlement or related applicants in line with our business responsibilities, and has always demonstrated a strong culture of protecting the confidentiality of personal information. SRW only collects the information necessary to conduct our business or provide a service to the customer, and essential personal information such as a customer name, address or telephone number is not released outside SRW without customer consent unless reasonably required for related government business such as council rate processes or requested by lawful orders.

Our responsibilities demand sustainable management of water resources and nurturing of the businesses, communities and environments that support and depend on them. In this regard, SRW adopts a transparent approach to the management of water resources and entitlements that balance the open disclosure of generally collected customer related water entitlements (such as usage types, waterway, area and volume details) with the non-disclosure of personal information.

SRW will take all reasonable steps to ensure that the management of personal information collected and disclosed complies with the Water Act 1989 requirements and privacy principles. Any individual is able to gain access to their information.

Privacy Complaints

If you consider that your privacy has been breached or interfered with, you should contact the SRW Privacy Officer at PO Box 153, Maffra Vic 3860, or phone SRW on **1300 139 510**.
