

WINTER IRRIGATION ROSTER 2021

To enable our customers to plan winter irrigation requirements in conjunction with Southern Rural Water's winter maintenance activities, please note the following winter irrigation roster from May 2021 to the end of September 2021.

Providing there is enough demand, water supply **will** be available to irrigators in the Bacchus Marsh Irrigation District from Monday to Friday on the dates stipulated in the table below.

Winter Roster 2020-2021	Dates Water supplied	Non-Supply Dates	Comments
Monday – Friday	May 03 rd – May 07 th		
Saturday - Sunday		May 8 th – May 16 th	
Monday – Friday	May 17 th – May 21 st		
Saturday - Sunday		May 22 nd – May 30 th	
Monday – Friday	May 31 st – June 04 th		
Saturday - Sunday		June 05 th – June 13 th	
*Monday – Friday	June 14 th – June 25 th		2-week supply
Saturday - Sunday		June 26 th – July 11 th	2 Week shut down
Monday – Friday	July 12 th – July 16 th		
Saturday - Sunday		July 17 th – July 25 th	
Monday – Friday	July 26 th – July 30 th		
Saturday - Sunday		July 31 st – Aug 08 th	
Monday – Friday	Aug 09 th – Aug 13 th		
Saturday - Sunday		Aug 14 th – Aug 22 nd	
Monday - Friday	Aug 23 rd – Aug 27 th		
Saturday - Sunday		Aug 28 th – Sept 05 th	
Commence weekly supply from	06 th September		

***Note: As we need the last week in June and the first week in July to enter meter reads and reconcile end of season accounts, we are making water available for 2 weeks from June 14th to June 25th for customers to fill dams.**

We can only run the system once we have enough orders to ensure a flow rate above 15 ML per day.

In exceptional circumstances if demand is high, we may deliver water on non-rostered days.

Please place your order on **Waterline** at www.srw.com.au/worder/ or contacting the 48 hour telephone Water Ordering Service on **1300 360 117**.

You will need to place your orders **at least two Business days** before the water is required.
