

## Application Form – Paaratte Zone

Privacy Collection Statement: Southern Rural Water (SRW) values and protects the personal and private information we collect from applicants as part of our business activities and responsibilities. Our policy is to collect only the information we need to conduct our business or to provide a service to applicants. Essential personal information such as name, address or telephone numbers is only released with consent or if reasonably required for government related business, such as the processing of council rates or if requested by lawful orders. SRW takes all reasonable steps to ensure that the management of personal information collected and disclosed complies with the Water Act 1989 requirements and privacy principles.

### 1. Applicant's information

*All prospective owners of the relevant water licence must sign this section.*

Name(and position if applicable)	Company name	
Postal address:		
Contact name	Phone	
Email		
If you are an existing customer please complete the information below		
<b>BEE</b>	<b>ML</b>	

### 2. Land details

Attach a current copy of the Land Title of each parcel where water is to be used. The land title must clearly show volume and folio numbers and land owners details.

If an up to date land title is not available, please supply a Notice of Acquisition for each land parcel to be included on the licence.

- I have attached a copy of land title / Notice of Acquisition for each parcel where water is used and where bores, pumps and dams are located.

**3. If you are not the owner of the land**

If you are not the owner of the land to be shown on the licence you need to put their authorisation in the table provided below.

Name of land owner (s)	Signature

**4. Indicate the volume being sought**

Annual volume =	ML
-----------------	----

**5. Proposed use of water**

Complete option below that applies.

<p>Commercial or industrial use (please provide details)</p>          
<p>Irrigation</p> <p>Area to be irrigated (Ha) : _____</p> <p>Type of crop: _____</p> <p>Method of Application e.g. Pivot</p> <p>_____</p>

## 6. Irrigation development

Please tick the best statement for your application:

<input type="checkbox"/>	The application proposes to increase the current licensed volume on the land being irrigated
<input type="checkbox"/>	This application proposes to increase the area allowed to be irrigated on my current licence
<input type="checkbox"/>	Other (please describe)

## 7. Nominate an approximate bore location. Use the locality plan or an attachment to indicate layout of bore and business operations

## 8. Irrigation Drainage Plan/Whole Farm Plan

I have attached a copy of my Irrigation Drainage/Whole Farm Plan

I do not have an Irrigation Drainage/Whole Farm Plan and understand that if I secure water, I will be required to engage a consultant to complete one

## 9. Locality Plan

Please provide:

- A sketch (or photocopy of a locality plan on a separate A4 sheet) showing the development area including current and proposed buildings, dams, waterways, irrigation systems, planting layout, groundwater bores (existing and proposed), pumps, pipelines, fuel tanks etc.
- Land parcel details (crown allotment or plan number and parish), and a minimum of two (2) named roads on your plan.

**Property address**

**Coordinates:**

**Zone:**

**Easting:**

**Northing:** \_\_\_\_\_

## 10. Your declaration

I/we the undersigned certify that the information provided in this application is true and correct.

I/we understand that this information may be referred to other organisations and/or advertised as part of the application and assessment process.

Application details may also be released if reasonably required by government business, requested by lawful orders, or in the public interest; particularly in regard to open disclosure of generally collected water entitlements.

Name of applicant (s)	Signature

## 11. Submission of application

You may email or post your application by **4 pm Friday 2 May 2025 – Attention Paaratte Groundwater Initiative**
