IMPORTANT INFORMATION

You **must** include a copy of title for each land parcel.

Licences to take and use surface water or groundwater and operate works do not automatically transfer and/or follow a change of ownership of land. An application to transfer the above licenses must be made using the prescribed form and lodged with us together with the prescribed fee for consideration by SRW.

A licence to take and use water or a licence to operate works cannot be transferred without the approval of SRW.
